

SERVICE AGREEMENT

Technology Consulting Services

Dated: 28/06/2026

BETWEEN Monish Ravibalaji and Atharv Patil, acting jointly as independent technology consultants and operating under the brand name "B&N Technologies" (hereinafter referred to as the "Service Provider")

AND Balaji, Sri Kannika Parameswari Modern Rice Mill

(hereinafter referred to as the "Client")

1. DEFINITIONS

For the purposes of this Agreement, the following terms shall have the meanings set forth below:

1.1 Project

"Project" means the technology consulting engagement undertaken by the Service Provider for the Client, including website development, mobile application development, data analytics solutions, artificial intelligence and machine learning solutions, and digital marketing services, as described in this Agreement.

1.2 Deliverables

"Deliverables" means all software, applications, websites, reports, dashboards, documents, marketing materials, source code, designs, and other work products created and delivered by the Service Provider under this Agreement.

1.3 Confidential Information

"Confidential Information" means any non-public, proprietary, business, technical, financial, operational, customer, or commercial information disclosed by either Party to the other, whether in written, electronic, oral, or any other form, during the course of the Project.

1.4 Intellectual Property

"Intellectual Property" means all copyrights, trademarks, trade secrets, software code, databases, designs, documentation, algorithms, reports, methodologies, processes, and other proprietary rights developed, created, or used in connection with the Project.

1.5 Client

"Client" means Mr. Balaji , Sri Kannika Parameswari Modern Rice Mill and any authorized representatives acting on behalf of the Client.

1.6 Service Provider

"Service Provider" means Monish Ravibalaji and Atharv Patil as Co-Founders of B&N Technologies, and any authorized personnel engaged by the Service Provider to perform services under this Agreement.

2. SCOPE OF WORK

2.1 Web Development Services

1. Professional Business Website & Online Product Platform (Price: ₹900)

Design and development of a modern, responsive website for the rice mill that establishes a professional online presence, showcases products, and enables customers, dealers, and distributors to connect directly with the business.

Included:

- Responsive Business Website
- Company Profile & Brand Story
- Rice Product Showcase
- Contact & Inquiry Forms
- Mobile Responsive Design
- Professional User Interface

2. Digital Product Catalog & Inventory Display (Price: ₹500)

Development of an interactive digital product catalog that enables customers and dealers to browse available rice varieties, packaging options, product specifications, and availability through an organized online platform.

Included:

- Product Catalog
- Product Categories

- Product Specifications
- Product Display System
- Packaging Information

3. Online Quotation & Lead Generation System (Price: ₹500)

Implementation of an online inquiry and quotation request system that allows customers, wholesalers, and dealers to submit business requirements and generate qualified leads directly through the website.

Included:

- Inquiry Forms
- Quotation Request Forms
- Lead Collection System
- Customer Requirement Submission
- Dealer Inquiry Forms

4. Business Communication & Online Visibility Package (Price: ₹350)

Integration of essential communication and visibility tools to improve customer engagement and strengthen the company's online presence.

Included:

- WhatsApp Business Integration
- Google Maps Integration
- Basic SEO Setup
- Mobile Optimization
- Social Media Integration

5. QR-Based Product Authentication & Verification System (Price: ₹700)

Development of a QR-based verification platform that enables customers to authenticate genuine products, verify batch information, and support faster quality issue identification.

Included:

- QR Code Generation
- Product Authentication
- Batch Verification
- Customer Verification Portal
- Complaint Batch Lookup

6. AI Product Assistant (Price: ₹800)

Development of an AI-powered virtual assistant that enables customers and dealers to interact with the website using natural language to discover products, packaging options, and business information instantly.

Included:

- AI Product Chatbot
- Natural Language Product Search
- Rice Variety Recommendations

- Product Availability Assistance
- Frequently Asked Questions (FAQ)
- Customer Assistance & Business Inquiry Support

7. Business Resource & Certification Center (Price: ₹400)

Development of a centralized digital resource center where customers, dealers, and business partners can securely access important company documents, quality certifications, and product information.

Included:

- Product Brochures & Catalogues
- Quality & Compliance Certificates
- Packaging Specifications
- Company Profile Downloads
- Business Policies & Documentation
- Marketing Resource Downloads

8. Dealer & Distributor Portal (Price: ₹600)

Development of a dedicated portal that enables dealers and distributors to register, submit business inquiries, access product resources, and communicate efficiently with the company.

Included:

- Dealer Registration
- Distributor Inquiry Forms
- Business Partner Information
- Product Brochure Access
- Contact & Communication Portal
- Partnership Request Management

3. DELIVERABLES

The Service Provider shall provide the following deliverables:

- Business Analytics Dashboard
- Sales and Inventory Reporting Interface
- AI-Powered Business Query System (where applicable)

- Data Integration and Validation Setup
- Basic User Documentation
- Project Handover and Transition Support
- Two (2) Rounds of Revisions as per the Revision Policy

4. PROJECT TIMELINE

Project Duration: One (1) Month from the date of commencement. The Project shall commence upon mutual written confirmation by both parties. The Service Provider shall use commercially reasonable efforts to complete the Project within the agreed timeline.

5. PAYMENT TERMS

Project Value: The payment shall be made in two installments as follows:

- **First Installment:** Half payment after the first 15 days of project commencement.
- **Second Installment:** Remaining payment upon project completion and before final handover.

Payment shall be made via direct transfer to the Service Provider's designated bank account. No final deliverables, source files, or project handover shall occur until full payment has been received.

6. CHANGE REQUEST AND SCOPE CREEP

Any changes requested after project commencement shall be considered a Change Request. Such requests shall:

- Be documented in writing by the Client
- Be evaluated by the Service Provider for feasibility
- Be subject to revised timelines and additional charges
- Be implemented only after written approval by both parties

Changes outside the agreed scope may result in additional fees and project timeline extensions.

7. OUT OF SCOPE

The following services are not included unless specifically agreed in writing:

- Mobile Application Development (unless explicitly stated in the scope)
- Website Development (beyond agreed scope)
- Social Media Management
- Paid Advertising Campaign Management

- Third-Party Subscription Costs
- Additional AI Modules or Dashboard Features
- On-Site Training Beyond One Session
- Custom Integrations with External Systems

8. CLIENT RESPONSIBILITIES

The Client agrees to:

- Provide accurate business data and requirements
- Ensure timely communication and feedback
- Provide required system access and credentials
- Review deliverables promptly
- Make decisions regarding functionality and reporting requirements
- Pay fees according to the Payment Terms

9. CONFIDENTIALITY

Both parties agree to maintain confidentiality regarding all confidential information disclosed during the Project. Confidential information shall not be disclosed to any third party without prior written consent. This obligation shall remain in effect for two (2) years following completion or termination of the Project. The Service Provider may reference the completed project as part of its portfolio unless expressly prohibited by the Client in writing.

10. INTELLECTUAL PROPERTY RIGHTS

10.1 Ownership Transfer All intellectual property developed specifically for the Client shall transfer to the Client upon receipt of full payment.

10.2 Pre-Existing Intellectual Property The Service Provider retains ownership of all pre-existing tools, frameworks, templates, methodologies, and reusable components used in the Project. The Client is granted a non-exclusive license to use such components as part of the delivered solution.

10.3 Third-Party Software Any third-party software, libraries, APIs, or services shall remain subject to their respective licenses and terms of use.

11. REVISION POLICY

The Service Provider shall provide up to two (2) rounds of revisions within the agreed project scope. Revision requests must be submitted within seven (7) days of receiving a deliverable.

Additional revisions beyond the included rounds shall be treated as Change Requests and billed separately.

12. DELAY AND FORCE MAJEURE

12.1 Client-Caused Delays Any delay caused by the Client, including delays in providing information, approvals, or feedback, shall result in a corresponding extension of the project timeline.

12.2 Force Majeure Neither party shall be liable for delays caused by events beyond reasonable control, including natural disasters, pandemics, government restrictions, internet outages, wars, labor disputes, or similar events. Project deadlines shall be extended accordingly.

13. LIMITATION OF LIABILITY

To the fullest extent permitted by law, the Service Provider shall not be liable for indirect, incidental, consequential, special, or punitive damages, including loss of business, profits, revenue, or data. The maximum liability of the Service Provider shall not exceed the Project Value.

14. TERMINATION

Either party may terminate this Agreement under the following circumstances:

- Mutual written agreement
- Material breach by either party not cured within ten (10) days of written notice
- Non-payment by the Client

Upon termination, the Client shall compensate the Service Provider for work completed up to the termination date. Ownership of deliverables shall transfer only after full payment has been received.

15. DISPUTE RESOLUTION

15.1 Negotiation The parties shall first attempt to resolve disputes through good-faith discussions.

15.2 Mediation If unresolved within fifteen (15) days, the dispute may be referred to mediation under applicable Indian laws.

15.3 Legal Proceedings If mediation fails, either party may pursue available legal remedies.

16. GOVERNING LAW AND JURISDICTION

This Agreement shall be governed by the laws of India. The courts of Madurai, Tamil Nadu shall have exclusive jurisdiction over any disputes arising from this Agreement.

17. GENERAL PROVISIONS

17.1 Entire Agreement This Agreement constitutes the complete understanding between the parties and supersedes all prior discussions and communications.

17.2 Amendments Any amendment shall be valid only if made in writing and signed by both parties.

17.3 Severability If any provision is found invalid or unenforceable, the remaining provisions shall continue in full force and effect.

17.4 Assignment Neither party may assign its rights or obligations under this Agreement without prior written consent of the other party.
